EXERCISE 11

Explore Tor network for anonymous communication

Aim: To provide a beginner-friendly guide on accessing and safely using the Tor network for anonymous browsing.

The screenshot displays a user interface for learning about the Tor network. At the top left, it says "Learn > Tor" next to a purple onion icon. The main heading is "Tor" with a subtitle "A beginner orienteered guide on using the Tor network". Below this, it indicates "Jul Easy" and "45 min". A row of buttons includes "Share your achievement", "Start AltsackBox", "Help", "Save Room", "879", and "Options". A green progress bar shows "Room completed | 100%". Below the bar, three tasks are listed: "Task 1 Unit 1 - Tor", "Task 2 Unit 2 - Proxychains", and "Task 3 Unit 3 - Tor browser", each with a green checkmark and a dropdown arrow.

Finish the installation.
